Installation Date and time: _____ **Training Date and time:** _____

Cancellation / Refund Policy - In the event you feel a refund is due or a cancellation is in order, you must send in a support ticket. Simply send an email TO: support@iamodules.com . Do not include any additional email addresses in the TO: field of your email or your ticket may not be received. Please specify any reasons for cancellation or refund requests. Please do this prior to credit card disputes. You must inform us by this method prior to the date of your plan's anniversary date. Refunds for partial months or any other services are not given except at the sole discretion IA Modules LLC.

Terms and Conditions - You will be billed one week prior to the monthly anniversary of your account with us based upon the date training was performed or 1 week from installation, which ever comes first. We will automatically bill your credit card for the appropriate fees described above. If your monthly fee becomes past due, we will notify you once by email. Once your account becomes 60 days past due, your server will be stopped, possibly resulting in lost emails and sales. This is not IA Modules LLC's responsibility. It is your responsibility to provide new credit card numbers or alternative payment methods to IA Modules LLC to avoid service interruption. Credit card information should not be transmitted by email or support ticket. You will need to resubmit this form via fax with your new information.

By signing this document you agree to abide by the terms and conditions of this contract, its policies, and those posted at www.iamodules.com
